

CASE STORY

Enjoy all these benefits when you choose a Bernoulli filter

- Simple and ingenious cleaning function
- Low and constant pressure drop
- Low flushing pressure
- Easy installation
- Excellent corrosion resistance
- Robust and reliable

Kingtom Power Plant, Sierra Leone

Facts and figures

Customer: Kingtom Power Plant
Location: Freetown, Sierra Leone
Application: Sea water for cooling in power plant
Filter model: BSG 300
Filtration: 2,0 mm
Operating flow: 666 m³/h
Design pressure: 6 bar
Year: 1993
