

CASE STORY

Enjoy all these benefits when you choose a Bernoulli filter

- Simple and ingenious cleaning function
- Low and constant pressure drop
- Low flushing pressure
- Easy installation
- Excellent corrosion resistance
- Robust and reliable

Kvarnsvedens Power Plant, Sweden

Facts and figures

Customer: Kvarnsvedens Power Plant

Location: Borlänge, Sweden

Application: River water for cooling in hydroelectrical power plant

Filter model: BSS 100

Filtration: 1,0 mm

Operating flow: 130 m³/h

Operating pressure: 1,5 bar

Design pressure: 10 bar

Year: 1998
