

CASE STORY

Enjoy all these benefits when you choose a Bernoulli filter

- Simple and ingenious cleaning function
- Low and constant pressure drop
- Low flushing pressure
- Easy installation
- Excellent corrosion resistance
- Robust and reliable

Shanwei Power Plant in China

Facts and figures

Customer: New Sulzer Diesel

Location: China

Application: Sea water for cooling of power plant

Filter model: 2 x BSG 200

Operating flow: 402 m³/h

Design pressure: 6 bar

Year: 1992
